

# SPIRIT

EDUCATION FOUNDATION

The Spirit Education Foundation is a registered, non-profit organisation based in Cape Town, South Africa and was established in April 1994 to provide opportunities for quality education to young disadvantaged high school scholars. Through the **awarding of educational scholarships** to financially disadvantaged scholars in the Western Cape, the Spirit Education Foundation **provides financial support for high school tuition**. This includes extra-curricular support and mentorship to all scholars enrolled in our programme.

## Education is for Life

The Spirit Education Foundation believes that education is for life and it's an investment that cannot be lost, spent or taken away. However, due to financial constraints, many young South Africans struggle to access this vision of a brighter future and are denied access to these pathways to success. A good education allows a young person to develop skills to confidently seize opportunities that come their way, throughout their lives. The Spirit Education Foundation seeks out scholars in need, who have the potential and the will to succeed.

## Creating Partnerships

We create partnerships between the scholars, their families and the schools, and provide support and resources wherever possible. We mentor scholars in partnership with their families, to motivate them to achieve academically and to realize their potential. By encouraging creativity, leadership and raising self-esteem, we are helping to build a prosperous and healthy nation, through education.

Our vision is to enable future generations of South Africans access to the tools needed to meet the demands in the workplaces of tomorrow.

## Building Our Nation Through Education, One Scholar at a Time

### Schools Support

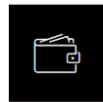

Spirit Education Foundation schools of excellence are carefully selected to ensure that our scholars receive a top quality education. Scholars are selected through an aptitude test to ensure that they will cope at one of our partner schools, as well as through a means test to ensure that scholars with a genuine financial need are selected. The Spirit Education Foundation will also assist in providing extra lessons and academic support in any subject, with a particular focus on Maths and Science.

**Mentorship and guidance** is facilitated via ongoing school and home visits, camps, workshops and outings. Support and effective intervention is provided where appropriate.

### Spirit Education Foundation Champions

A strong alumni network has developed over the years and is supported and encouraged by the Foundation. For a Spirit Education Foundation scholar the journey is one for life. All graduating matric scholars are enrolled in the Spirit Education Foundation Alumni Society and longitudinal tracking is ongoing via social media, meetings and functions. The Alumni Society exists not only as a channel to effective networking amongst themselves, but it creates a platform for the alumni to provide mentorship, skills transference, knowledge sharing and encouragement to our current Spirit Education Foundation scholars.

**If you believe in the vision and work of the Spirit Education Foundation, please help us to fund the education of our future leaders**

### Corporate Donorship

#### Donate as a monthly, annual or once-off payment.

Donations of over R100 per annum provide an eligible income tax deduction.

**R 2000** is the monthly requirement for one scholar.

**R 20 000 per annum will provide one child with quality education for a year.**

**Once-off payment** - Any amount is of enormous value to us and will help towards our scholar costs.

**Other branding and sponsorship opportunities are also available.**

Gifts of Bequests to the Spirit Education Foundation ensure a lasting positive impact and are a powerful reflection of the values and principles that are close to your heart. **Please visit [www.spiriteducationfoundation.org/support](http://www.spiriteducationfoundation.org/support)** for more information.

### Raise the Flag

We are looking for Brand ambassadors to raise the flag for philanthropy in education. If you would like to initiate a fundraising project, or you are looking for a challenge, we would love to support you, to help support us. Please share any fundraising ideas by emailing [fundraising@spiriteducationfoundation.org](mailto:fundraising@spiriteducationfoundation.org) or please visit GivenGain for more information on how to register a fundraising initiative. **Lift the Spirit!**

The Spirit Education Foundation values all contributions and 100% of funds raised are used directly for scholars fees, extra lessons, textbooks, stationery, uniforms, school activities and the annual Spirit Education Foundation camp.
